

TIANJIN BAODUN VALVE CO., LTD.

Valve & Piping RFQ Checklist

Email: yanzilong777@gmail.com | WhatsApp: +86 131 1613 4593

Website: <https://www.baodunvalve.com/>

Start with the product and destination. Add the details you already have.

Leave unknown items as "To be confirmed".

1. Your company

Company name

Contact person

Email or WhatsApp

Destination country / delivery port

Required delivery date (for review, not a confirmed lead time)

2. Line items (repeat this section for each required product)

Product name / BAODUN product URL

Quantity

Nominal size (DN or NPS)

Pressure designation (PN, Class or JIS)

Body / trim / seat material requirements

Connection and mating flange / pipe standard

Medium / application

Operating pressure and temperature

Actuation / power / control requirements

Required drawing, inspection report or certificate

Reference drawing / BOM attached

Packing / marking requirements

3. Notes

- Please attach your existing BOM or drawing to an email or WhatsApp message.
- The website form does not accept file uploads.
- Catalogue values are references, not a quotation or a stock commitment.
- Size, pressure, material, connection, documents and delivery are confirmed for the exact quoted configuration.
A listed standard is not a certification.
